Rating in progress or not applicable.

The Chalet AMETHYSTE is the novelty of this local developer, already at the origin of many high-standing programs in Saint Martin de Belleville. It is in Villarabout, this charming village located just 1.5km from Saint Martin de Belleville, that this existing chalet will know a major facelift. This village enjoys an ideal exposure (west) is connected to the slopes of the 3 Valleys ski Area by a shuttle service. This development is proposed with three ranges of finishes and the possibility of modifying the layout according to your wishes. Chalet of 170sqm on three levels including 4 bedrooms with en-suite bathrooms, a spacious living room. Wide flexibility in the choice of the services proposed by the developer, from the agreement of the planning permission purged of any recourse to the follow-up, the assistance and the execution of the works. The visuals are those of the Deluxe Range finish with option / Non-contractual images.
